Key Functions:

Member of facility team with the following accountabilities: Leadership of key safety and/or environmental stewardship activities for the operating geography (i.e., hearing conservation, hazard communication, etc.). Activity leadership in bare-root seedling nursery to achieve plan goals including tactical planning, resource allocation and coordination (people, equipment, etc.), process and cost measurement, analysis and improvement to deliver customer and shareholder satisfaction.

Qualifications

- One of the combinations of education and related experience listed in Forestry, Geographic Information Systems (GIS), Agriculture Engineering, Soil Science or Agronomy: Bachelor's degree or higher, or Associate's degree and related work experience.
- Mechanical/Heating-Air/Fabrication skills a plus
- Operate personal computers in the Microsoft Windows environment with Microsoft Office software.
- Basic forklift, tractor or other heavy equipment operation skills.
- Ability to safely lift up to 55 pounds.
- Willing to abide by safety standards.
- Team leadership experience.
- Excellent communication skills - both written and oral.
- Flow to work mind-set.
- Analytical, problem solving and prioritization skills.
- Respects others and is able to work in a diverse team environment (Teaming).
- Math skills - Addition, subtraction, multiplication, division, fractions
- Ability to resolve conflict in a "win-win" manner.
- Valid driver's license.
- Willing to work weekend and holidays as required to meet business needs.

About Timberlands

We believe trees are a remarkable resource that can and should be managed responsibly to make a range of products that meet human needs, while also providing recreation, wildlife habitat, and other important ecosystem benefits.

For more than a century, we've been taking care of forests to make life better.

About Weyerhaeuser

We sustainably manage forests and manufacture products that make the world a better place. We're serious about safety, driven to achieve excellence, and proud of what we do. With multiple business lines in locations across North America, we offer a range of exciting career opportunities for smart, talented people who are passionate about making a difference.

We know you have a choice in your career. We want you to choose us.

Weyerhaeuser is an equal opportunity employer. We are committed to taking affirmative action to employ and advance in employment women, minorities, qualified individuals with disabilities and protected veterans.
